

CHANGES MADE IN TEACHING FORCE

Robert Merrill, of Bradford Is Junior High Principal

The public schools of St. Johnsbury have closed for the summer of 1917 and many of the teachers of the last season ended their duties with the closing. Some of the teachers of the higher grades have been transferred to the new Junior High School, while many changes from one school to another have been made.

Junior High School

The new educational project, the Junior High School, has aroused much interest in the town. Superintendent W. H. Young says that great things are expected of it, as the teaching staff will be one of the strongest of its kind. All the instructors have not yet been chosen, but a few appointments have been made. The principal, Robert Merrill, of Bradford, is a well known educator. At the present time he is master of the Junior High School at that place, and the results of his work there are excellent. It is thought that St. Johnsbury has secured one of the best men available. The teachers, chosen to date, are Miss Anna Stevens, Miss Katherine Hubbell, Miss Mabel McCray and Miss Daisy Richards. Miss Richards is a graduate of Middlebury College and will teach Latin and French.

The program of studies in the high school offers a wide choice for the pupils. The elective studies in the seventh grade are French and type-writing, and in the eighth grade French, Latin and type-writing. The program is as follows:

Grade VII—Subjects required and number recitations per week: English 5*, history 5*, community civics 2, mathematics 5*, manual training 2, home economics 2, music 2, drawing 1. (Continued on page five.)

IDE CONGRATULATED BY SECRETARY M'ADOO

Elmore T. Ide is in receipt of the following personally signed letter from W. A. McAdoo, Secretary of the Treasury:

TREASURY DEPARTMENT
Washington, June 28, 1917.
Mr. E. T. Ide, Merchants National Bank, St. Johnsbury, Vermont.
Dear Mr. Ide:—Permit me to extend to you, and through you to each member of your Liberty Loan Committee, my warm thanks and deep appreciation of the patriotic service you rendered your country in connection with the Liberty Loan of 1917. The result could not have been accomplished without the effective aid of such patriotic citizens as yourself and the members of your committee. Loyally and unselfishly you gave the government your best efforts and you can enjoy the satisfaction of knowing that you have contributed immeasurably to the first signal victory America has won in this righteous war. I shall be obliged if you will convey this message to every member of your committee. I should be happy to write a personal letter to each if it were physically possible for me to do so.

I also take this opportunity to express the hope that you will preserve your admirable organization and that I may have your assistance again when the government has to place additional issues of bonds.

With kind regards and best wishes, I am,

Cordially yours,

W. A. McADOO.

M. G. Morse Candidate For Secretary of State

There promises to be a real contest for the appointment of Secretary of State to fill the vacancy when Guy W. Bailey resigns.

One of the latest announcements of candidates for this position is that of Senator M. G. Morse of Haddam, Conn. Senator Morse is a comparatively young man, a strong member of the Caledonia county bar, has served as a member of the House in the Legislature of 1915, and of the Senate in 1917. Senator Morse was recognized as one of the strongest and most influential members of the Senate and was the very able champion of some of Governor Graham's measures regarding the State government. He is widely known throughout the State and has friends in all sections who undoubtedly will be glad to endorse his candidacy.

PAULINE ELLIOTT HURT

Little Girl Injured When Struck by Automobile.

Pauline Elliott, four and a half year old daughter of Mr. and Mrs. C. L. Elliott, was bruised about the body yesterday when she was struck by the automobile operated by Sam Loggia of this town. The child was taken to the office of Dr. Fitch, where she was examined by Dr. J. M. Allen, owing to the absence of Dr. Fitch. The accident happened on Eastern avenue, in front of the blacksmith shop of A. L. St. Peter.

First Fourth of July Accident.

Louis Long, of this town, was painfully injured yesterday when the 22-caliber pistol with which he was playing was discharged into his hand. The skin was broken, but it is not thought that the wound will prove serious.

Long was showing his gun to James Christie, a playmate, Christie handed the pistol back to Long and during the exchange it was discharged.

Chin-Chins Entertained

The Chin-Chin Club entertained at a supper party at the St. Johnsbury House tea room on Monday night in honor of Miss Alice Nichols, of Winchester, Mass. A very delightful time was enjoyed.

SIMONDS SUED FOR \$165,000

Englishman Charges Breach of Trust And Squandering

Robert W. Simonds, state commissioner of industries, and formerly a member of the firm of Simonds, Seales & Graves, is defendant in a case brought in the District Court of the United States in which the recovery of \$165,000 is sought by the plaintiff. A hearing in the case is set for next Monday before Judge Harland B. Howe in St. Johnsbury.

The plaintiff in the case is Moro de Moro, of Invergate, England, an aged man, whose property in America has been under the control of Mr. Simonds. The plaintiff is represented by Joseph Fairbanks, John W. Redmond and Porter, Witters & Harvey. The charge against Mr. Simonds is breach of trust, the squandering of valuable property in New York and keeping of the proceeds.

It is alleged by the plaintiff that in 1915 he got into communication with a relative in Vermont regarding the employment of an attorney to look after his property in America, and this relative suggested Mr. Simonds. That Mr. Simonds secured the power of attorney and has disposed of the property, a valuable block in New York City, and that the plaintiff has received only about \$11,000 out of a \$190,000 piece of property.

It will be remembered that after Mr. Simonds was elected Senator from Caledonia county in 1914 he announced he had secured the management of a valuable property for a client in England and made a trip to that country in connection with this trust. He was absent from the Senate for several weeks at the opening as a result. For this trip he charged his client a retaining fee of \$1,000 and \$100 a day for 48 days.

BRIGHTON CREAMERY AT ISLAND POND BURNED; LOSS ABOUT \$15,000

Island Pond, July 3.—Fire which started this afternoon in the Brighton Creamery totally destroyed the plant, together with a quantity of butter and milk. The fire was discovered burning near the chimney, where it had broken out yesterday, and was extinguished.

The creamery is under the management of E. M. Bartlett, and is insured for its full value. It is estimated that the loss will be \$15,000.

The Brighton Creamery situated about a quarter of a mile west of the village, does a large business, specializing in pasteurized milk and cream for shipment to ice cream factories in Portland, Maine. The company imports milk and cream from Canada. The Brighton Creamery operates the Berlin Ice Cream Company at Berlin, N. H.

MUSIC PUPILS GIVE EXCELLENT RECITAL

An interesting and diversified program was given last evening at Pythian Hall by the music pupils of Miss Glenn Robinson. The attendance was large and the work of the children was highly appreciated by all. The selections by the orchestra, made up of Miss Robinson's pupils, were especially enjoyed, while the individual work of the students was indeed a credit to the instructor. Following is the program:

Orchestra, Romance; piano, Apple-tree Swing, Alice Morse; Teddy Bear March, Hungarian Dance, Ellen Whitehall; exercise, Danny Ferrigard; violin, Francis Song, Francis Waleley; guitar, Theodore Taylor; piano, Marzuka, Lillian Bennett; violin, Merry Eyes, Howard Conley, Francis Walsh, Lawrence Howe, Theodore Taylor; piano, Ripping Brooklet, Edward Farmer; The Little Recruit, Lloyd Willis; The Ladybird, Doris Smith; violin, Daisies and Lilies, Edwin Burrows; The Mill, Lawrence Howe; piano, melody, Seymour Wright; trio, En Route March, Irene Gano, Doris Ford, Elizabeth Salloway; violin, Mennett, Lucy Cole; Berceuse, Serenade d'Amour, Paul McSweney; piano, The Trumpeter, Rachel Cole; Frolic of the Breeze, Frances Taylor; piano duet, Military Polonaise, Florestine Frechette; Lucile Frechette; violin, Short Waltz, Sarah Marshall; Haris and Flowers, Jack Leonard; piano, Marguerite at the Spinning-wheel, Lucile Frechette; piano, Woodland Echoes, Gladys Buskett; violin, Salut d'Amour, Rhea Gilson; quartet, Ave Verun, Frances Taylor, Margaret Hansen, Helen Porter, Madeline Grady; piano, Neapolitana, Irene Gano; Cornet, Bells, Agnes Hansen; violin, Little Love Song, Dream Fairy, Helen Porter; Oh, Promise Me, Margaret Hansen; serenade, Norman Magill; piano, Charm of Spring, Georgiana Toulis; Whispering Zephyrs, Florestine Frechette; violin quartet, Hope March, Norman Magill, Jack Leonard, Walter Morse, Paul McSweney; Reger, Mary Nichols; piano, Elegy, Valse, Violet Darling; violin at Sundown, Madeline Grady; Elegy, Gladys Cutting; Resignation, Tarantelle, Frances Taylor; orchestra, Flag of Truce.

TWO PERSONS ESCAPE INJURY IN RUNAWAY

Mr. and Mrs. Duncan McCuaig narrowly escaped injury Saturday noon when the horse attached to a carriage in which they were passengers, became frightened and ran away. The animal began its wild career at the top of Eastern avenue and ended it in the gutter in front of the Universalist Church. As the horse fell Ralph Brown, who was a witness of the runaway, secured its head to the ground and held the animal there while it calmed down.

While the carriage was turning the corner of Eastern avenue the hold-back broke, allowing the vehicle to strike the horse's legs. This frightened the animal, which ran away. Both Mr. and Mrs. McCuaig stuck to their seats and luckily neither was thrown from the carriage when the horse fell.

ELOQUENT ADDRESSES BY WELL KNOWN MEN AT GROTON PICNIC

Many roads led to Groton Pond on the Fourth of July, when Hon. Alexander Dunnnett and Mrs. Dunnnett held open house at their summer home.

About 300 friends gathered for the picnic dinner. The coffee was furnished by Mrs. Dunnnett.

Following the luncheon Mr. Dunnnett continued his hospitality by introducing in his inimitable way several well known speakers, who addressed the party. Judge Frank L. Fish, of Vergennes, was introduced as the first speaker. He spoke on the historical significance of Independence Day, of what has been done already in our United States to make them safe for democracy, and of what must be done by this generation if we are to stand true to the example set by our ancestors.

Rev. George A. Martin, of St. Johnsbury, spoke following Judge Fish. He drew a vivid picture of the ideals of 1776 to those standing today. Referring to the great war the speaker compared the Teutonic ideals with those of the Anglo-Saxons. He continued that if we, the United States, are to do our part in shaping the destinies of the world we must not be led astray by minor considerations and the talk of jingoists, but must keep our minds on the big, the main issues at stake. And the main issue, Rev. Martin said, was "to win the war."

President John M. Thomas of Middlebury College, made a stirring appeal for a sane conception of the war situation and what it means to the men who are enlisting. The speaker stated plainly just how vital is the part to be played by those who remain at home, for those who are at the training camps or the front. He said that the quality most needed by the soldier was not courage but patience, and told of the many ways in which the men are tried, little thought of or conceived by non-combatants. President Thomas lauded the speaker, explained many details of the soldiers' training and experience that they are receiving and that they are to be valuable for the rest of their lives. The benefits to be derived from the training cannot be overestimated, said President Thomas. All the speakers were applauded heartily by the gathering.

The addresses closed the day and the attendants went to their many homes after thoroughly enjoying one of the finest picnics and Fourth of July celebrations ever held in this vicinity.

MRS. FELCH NOT FREED

State Takes Exceptions—Woman Acquitted May Be Released on Bail.

Chelsea, July 3.—With freedom in sight after a detention of more than a year in the county jail here while awaiting trial for the alleged murder of her husband, Joseph Felch of Topsham, on the night of April 22, 1916, Mrs. Anna Felch is laying plans for her early return to Bradford, the home of her youth and the present residence of her parents.

Exceptions in the case having been taken by the prosecution, the woman will remain in the custody of Deputy Sheriff George Tracy, the jailer, until court comes in July 9, a week from yesterday. At that time Judge Butler will decide whether bail will be required or whether the woman is to be allowed to go on her own recognizance. Meanwhile she is by no means inactive, and while taking her detention of another week as a matter of course, she is anxiously awaiting the day when she may return to her own people.

State's Attorney Sherburne has said that exception may be argued in the Supreme Court.

PRICE OF MILK GOES UP

Practically All Dealers Ask One Cent More For Their Product.

The retail price of milk in the town of St. Johnsbury was raised July 1, by practically all dealers, from 8 cents per quart to 9 cents. This affects thousands of milk consumers in this vicinity. No reason for the raise in price has been forthcoming, but for the increased cost of all necessities connected with dairy work. In one case the raise was from 7 cents to 9 cents.

Vt. Vol. Co. G at St. Johnsbury

Orders were received Friday by Capt. Henry W. Ellis, of this town, from Adjutant General Lee S. Tillotson for the formation of St. Johnsbury of a company to be known as Company G, First Regiment Vermont Volunteer Militia. This organization will be one of twelve companies to be formed throughout the State.

The orders are the outcome of a proclamation issued May 25 by Governor Herbert F. Graham, calling for the formation of a Home Guard Regiment, to be known as the First Vermont Volunteer Militia. According to the proclamation the regiment is to be formed of men qualifying as follows:

Men to be eligible for service in said regiment shall be able-bodied and physically and mentally qualified for military drill and the service for which they are required. Men between the ages of 21 and 31 who have been discharged or rejected from service in the National Guard, Regular Army or Navy, on account of slight physical disqualification or dependent relatives, and those who are not drafted for Federal service under the Act of Congress of May 18, 1917, may be enlisted or commissioned in said regiment.

The St. Johnsbury company will be made up of 53 men, as follows: Captain, first lieutenant, second lieutenant and 50 men from whom the non-commissioned officers will be picked. The officers for Company G, appointed by Gov. Graham, are: Captain, Henry W. Ellis; first lieutenant, Frank L. Carr, and second lieutenant, Fred J. Babcock. These men and all officers of the regiment will report shortly at Norwich University for ten days' training.

The recruits will be fully equipped with a uniform of field gray, and furnished with riot guns. Their service will be entirely within the State of Vermont, and they will serve only when called by the Governor. The regiment will be called in case of riots and disturbances, or for guard work should that become necessary.

A meeting for enlistment of recruits in Company G will be held at the Armory Monday evening at 7:30 o'clock. All those who desire to enroll should present themselves at that time. It is felt certain that the company will be filled before Tuesday morning, as already about 30 men have signified their intentions of enlisting, while interest in the home guard work runs high.

TWENTY MEN SECURED FOR SERVICE IN CO. G.

Twenty men enlisted last night in Company G, First Vermont Regiment Volunteer Militia, at the Armory. It was expected that more men would be present to sign the enrollment sheets but many members of the home guard company who are prospective members of the organization, were unable to be present. For this reason the Armory will be open tonight from 7:30 o'clock on until all who wish may have had an opportunity to enlist.

The forming of Company G is the result of a proclamation issued by Governor Graham, May 25, calling for the formation of a home guard regiment in the State. The regiment will consist of 12 companies of 50 men each, which will be stationed in various towns and cities. Uniforms of field gray, and complete equipment will be issued to the recruits as soon as possible. The service is voluntary and for the duration of the war.

The companies will remain in their home towns until called for service by the Governor. When on duty of any kind the soldiers of the regiment will receive pay corresponding to their rank in any other military organization. When off duty no pay is received.

Twenty men have enlisted, but there is room for thirty more. It is hoped that the company will be filled tonight.

St. Johnsbury Boys Enroll at Newport, R. I.

(Special to The Caledonian.)

Newport, R. I., July 3.—Three St. Johnsbury young men enrolled here today in the Second Division of the Naval Reserve. The men are: John F. Birch, enrolled as a seaman; Alexander S. Watson, enrolled as a ship fitter, and Raymond W. Flint, hospital apprentice, second class.

VERDICT OF \$500 IN \$20,000 MORSE SUIT

A verdict of \$500 and costs for the plaintiff was returned by the jury after being out 18 hours in the case of Elisha Bigelow, administrator of the estate of Edmund C. Morse of Lyndon, vs. the Town of St. Johnsbury, in a suit for \$20,000 damages for the death of Edmund C. Morse, through negligence, it was claimed, by the town of St. Johnsbury. The Morse estate was represented by Guy W. Hill of St. Johnsbury, and Harry C. Street of Montpelier, and the town by Seales, Graves & Cameron.

The case was the result of an automobile accident on the evening of October 22, 1916, just above Cobb Crossing on the road to Lyndonville, when the automobile driven by Mr. Morse went through the railing and down the hill, turning turtle and instantly killing Mr. and Mrs. Morse and injuring more or less severely Miss Amelia Lee, Miss Maude Weatherbee and Miss Alice Bancroft, the other occupants of the car.

It is expected that the case of Elisha Bigelow, administrator of the estate of Edmund C. Morse, of Lyndon, vs. the town of St. Johnsbury, will be taken up in the December term of the Caledonia County Court.

CHEMISTS ARRIVE TO INVESTIGATE MILK

Robert W. Lamson and Richard Coburn, representing the Bureau of Chemistry in the Department of Agriculture at Washington, D. C., arrived in Newport Tuesday to take up the work of stamping and analyzing milk and cream being shipped into the United States from Canada, that was carried on quite extensively last season by Mr. Lamson and discontinued when the summer flow of milk was over.

The department is actively engaged in the work of making the producer and shippers of milk and cream from foreign countries into the United States conform to the standards of purity which will be free from the substance which are apt to be common in milk unless the greatest care is taken in the care of the article and the department should have the hearty co-operation of everyone who desires clean and wholesome milk products.

Outlook Club Picnic.

The Outlook Club held their annual picnic at the home of Mrs. Alvin Cummings last Wednesday. A delightful time was enjoyed by the large number present. A program of a patriotic nature was given with recitations and songs by children. This was followed by games and contests for the children. Especial thanks were given the hostess for making the occasion such a pleasant one.

Meeting of Rifle Club.

At a meeting of the St. Johnsbury Rifle Club at the Armory Tuesday evening, Claude Arnold was elected secretary vice H. H. Carr, resigned. It was further decided to finish the elimination shoot for the 22 caliber rifle team, which is to take part in the national rifle competition, Friday afternoon at 4:30 o'clock, on the campus. The next meeting will be Friday evening after the shoot.

Tea at Old Pine Club.

Tea will be served to members and guests at the Old Pine Golf Club house Saturday afternoon from four to five o'clock. The hostesses will be Mrs. H. W. Blodgett and Miss Mary Grint.

CARRIED OVER FALLS; DROWNED

Wallace Dubuc Seized With Cramp While Swimming In Rapid Water

Wallace Ervin Dubuc, aged 19 years, son of Mr. and Mrs. Dell L. Dubuc of Bank Place, was drowned while swimming in the Moose River Sunday afternoon when the rapid water carried him over the Bailey-Follensby Dam before the eyes of his comrades. His body was not recovered for two hours.

Dubuc, with two fellow workmen of the Fairbanks Company, was swimming a short distance above the falls. His friends claim that while trying to reach the shore the boy was seized with a cramp. They could not render the stricken lad assistance, for, as they said, "We were all in ourselves." Dubuc was swept rapidly down the stream, and though he put up a gallant fight, was carried over the dam. The great weight of the water held his body fast beneath.

Witnesses notified the police and fire departments. The chemical truck, carrying a pulmotor, responded in record time. A fruitless and rapid search was made. Firemen ran down the river bank to the rapids at the Ely shops expecting that the body might have been carried to that point and lodged upon a rock. Unsuccessful in this endeavor they returned to the scene of the accident, leaving Call Fireman Paige to watch for the body at the rapids.

Chief Marden of the fire department and Samuel M. Hubert probed in the water beneath the Railroad-street bridge with long-handled rakes, hoping to reach the body.

Still thinking that the boy's body might be carried down stream, the searchers stretched a rope across the river at the Ely shops rapids, and Call Fireman A. C. Ross, Archie Campbell and Howell Hinman were stationed to hold it.

In the meantime grappling irons had been secured and George Caswell and Harry Gray, in a rowboat, dragged the river at this point, holding their position with the aid of the rope. Their efforts were unsuccessful.

Working on the theory that the back current and the weight of the falling water might be holding the body lodged beneath the falls, Chief Marden and Call Fireman Lord worked close up to the falls on the many rocks below them. At last came the statement from Lord that he had found the body. Pulling it to the surface with the rake, Lord, held by Chief Marden, reached into the water and lifted the body to the surface after it had been submerged for two hours.

Dr. John A. Drouin performed an autopsy on the body and pronounced the lad dead. Selectman Frank Carr ordered the corpse removed from the water. It was taken to the Stanley Undertaking parlors.

Wallace Ervin Dubuc was born at Barton, February 8, 1896. His parents removed to Orleans shortly after the boy's birth, and he received his school education in that town. A year ago he secured employment in the Eagle Hotel at Concord, N. H. He came to St. Johnsbury three months ago and had worked since that time in the freight house at the E. and T. Fairbanks & Co. Wallace was popular among his fellow workmen and his friends were many.

Funeral arrangements have not yet been made.

FUNERAL OF WALLACE DUBUC

Drowning Victim Is Buried in Mt. Calvary Cemetery.

The funeral of Wallace Ervin Dubuc, the 19-year-old boy who was drowned Sunday afternoon when carried over the Bailey Follensby Mill Dam, was held Tuesday morning. The service was held at Notre Dame Church, Rev. Father Le Veer officiating. Burial was in Mt. Calvary Cemetery.
